*PEC: Provincial Education Committee
Are you going to do anything tomorrow when the assessment group from the PEC is here?
A class that can hold together crying, should not be disbanded.
Dispose garbage inside

.....
As 'simple' as I imagined?
Things are not as simple as you imagined... please don't
Thank you, for your effort, but in the end our class still got disbanded for nothing right?

Except from drifting along the tide and getting trampled upon
what else is 'simple'?
If you insist, you may be expelled. do you still wish to continue?
Sigh
Fine.

I am the class president of Class 5-4 -----
Welcome to Class 5-4, students from former Class 5-3!
Gang
You are all outstanding students, nothing worse than those of our class, aka the best class of Year 5
I pay my respect to you on behalf of all members from Class 5-4!
You don't need to take part in today's cleaning. Instead I'll hold a short meeting for you as asked by our class teacher!
We have no discrimination in our class, only grades and skills matter!
Besides, to show our good faith
Now you've already come here please settle down You'll be treated fairly from now on

We decided to appoint Hong as the new Study Commissioner of Class 5-4!
Eh!?
No way...
Classmate Hong, your learning ability is without doubt!
I've seen that paper. Honestly speaking, it is very good of you to be able to finish it and teach your classmates.
no matter whether you stole it or whatever.
Nonsense! We didn't steal the paper! Someone fromed us up...
I believe you unconditionally! Comrade Hong the Study Commissioner of Class 5-4!

What did you say?
Believe...?
Yes, I believe you uncanditionally
It's too late to say that! Why did you give those embellishments in the principal's office! Why!
Hehe, I just spoke out the general conjuncture, I am sorry if you feel offended
Anyway, my belief matters nothing
The world is run by aduits
Your duty includes organising the morning reading every day and answering questions in review sessions when the teacher is absent
Wait I haven't agreed yet!
Weekly wage is 10 Yuan
Paid from the class fund

What did you say? Woge?
By the way, the class fund comes from selling recycled waste and our class teacher's private donation
The money is used to pay wages for the class committee and rewarding outstanding students It's small money but paramount honour

Thot, is our class's policy!
T/N In China, used bottles/cans/newspapers etc. can be sold for money, otherwise few would even bother recycling
So what! Money won't solve everything
'Your Majesty, I bought this gift for you with the money I earned myself'
? .....
'Your Majesty
do you like it?'
.....

Everyone is o fire!
.....
I agree
Oh! That's the best!
Hong! How could you accept this fellow's conditions...!
I've made my mind...
